

Ogden City Corporation
Request for Qualifications

**Airport Professional Engineering & Architectural Services for the
Ogden-Hinckley Airport (OGD)**

Q & A

- 1) Is the three-page Executive Summary separate from the 35-page limit of the SOQ? In other words, are we allowed to have a 38-page proposal?
a) No, the executive summary is included in the 35-page limit of the SOQ.
- 2) We recognize that section XVI: Miscellaneous asks us to include any additional information in Appendices. Are these Appendices excluded from the 35-page limit? Can we include resumes in the Appendices that won't count towards the page limit?
a) Appendices are excluded from the 35-page limit. We will allow up to 10 pages of appendices, including resumes. The submittal must not exceed 45 pages.
